

2014-2015 ACADEMIC STAFF AWARDS

Call for Nominations

Deadline: Friday, March 20, 2015

The Academic Staff Professional Development Committee (ASPDC) requests nominations for the 2014-2015 Academic Staff Awards. The awards will be presented at the annual luncheon on Friday, April 24, 2015.

There are three nomination categories:

- **Professional Achievement Award.** This award is conferred upon the recipient for demonstrated leadership, significant accomplishment(s) in professional organizations, and presentations and/or publications. It is generally awarded to academic staff with seven or more years of seniority.
- **Distinguished Service Award.** This award is conferred upon the recipient for significant service to students, the university, department and/or community organizations, committees and/or other service beyond job responsibilities. It is generally awarded to academic staff with seven or more years of seniority.
- **Outstanding Contributor Award.** This award is conferred upon the recipient(s) for significant accomplishments during the previous three years, emerging leadership and/or scholarship. This award is dedicated for recognizing junior academic staff, with generally fewer than seven years of university service.

The Nomination Form is available at <http://aspdc.wayne.edu/nomination-form.php>. Self-nominations are welcome. We encourage multiple nominations from units and more than one person may be nominated for each award. A separate form is to be used for each nomination.

Nomination letters must be substantial and give ample details on why the nominee deserves consideration in the category for which they are being nominated.

Note: Not all awards will be awarded every year if the pool of nominees does not warrant it.

All completed award nominations must be submitted no later than **Friday, March 20, 2015**, to Melissa Barton, (313) 577-2844. Submissions must be electronic in an MS Word compatible or PDF file format.
